Wonderful writing achievement, Sophie!

HANDCROSS
Primary School

Marlie, you have been so kind to your neighbours, well done!

Marlie made mummy very proud by deciding to put some of her toys in a box outside our house for neighbours to help themselves to in order to cheer everyone up.

Dexter is enjoying and showing respect for the natural world.

Dexter learnt what deciduous and evergreen trees were and spotted them when out (at a private pond). He found dragonfly larvae and ramshorn snails in the pond. He also did tree and leaf rubbings.

My Lockdown poem

Lockdown is sad yes yes yes,
but look on the bright side and do your best,

Oh how I miss my friends and school,
but being taught by my mummy is really cool,

Coronvirus is causing all of this,
so try not to hug, touch or kiss,

Keyworkers are out there trying their best,
but society is not letting them rest,

Do still work, and do still play,
and do that, and more, every day,

One day we'll be back together having fun,
but if we all work together this will all soon be done,

We have never experienced this before,
so all we can do is shut our front doors,

Not seeing our family and friends makes us cry,
but we'll be together soon, this isn't good-bye.

Fantastic work, Sonny!

Sonny's mum says that the garden looks wonderful and Sonny is very pleased indeed that big carrots are going to be grown this summer.
I hope you're keeping well and thank you for all that you are doing during this crazy time.
What wonderful learning, Sonny. Miss Palmer and I are proud of you!

Zara you are taking responsibility for your learning, with help from your sister, well done!

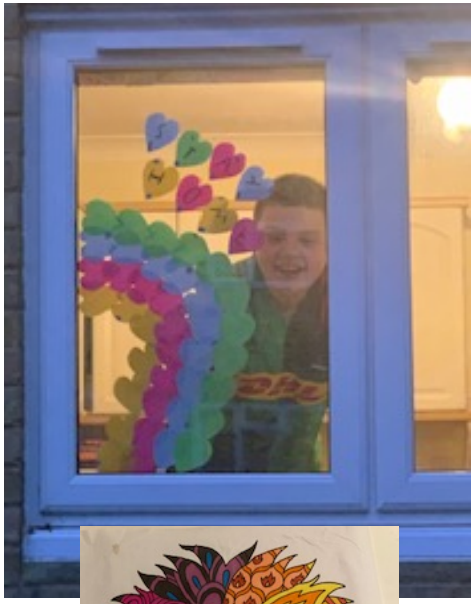
Archie has been determined to succeed at home.



Archie used his creative side to make this Heart 🌈 to show NHS Support and encourage our neighbours to stay home, all hand cut by Archie out of post it notes

Archie has baked: bread and butter pudding, cupcakes, cooked toast and scrambled eggs

HANDCROSS
Primary School

Whittled sticks and foraging for pinecones on our walk then spent hours making a bow and sharpening sticks (forest school)

Wonderful family fun from Robyn, Ralph and Darcie!

Robyn is also continuing to share her love of crafts. Great creativity shown, Robyn!

Values Awards

Well done to the children below who have demonstrated our school values:

Marlie – Kindness to neighbours
Willow and Blake – Ambition in their writing
Zara – Responsibility for own learning and being responsible around the house
Dexter - Respect for nature
Sonny – Resilience in keeping going and trying many activities at home
Archie – Determination to succeed in so many areas of his learning
Robyn – Determination to succeed in arts and crafts
